

What is Heart for Parklands?

Heart for Parklands is a neighbourhood community project organised by Chichester Baptist Church. It is a visiting initiative, made up of a group of volunteers who feel that church should be at the heart of the community.

We would love to make contact with our neighbours who find it difficult to get out and who would welcome a friendly chat and regular, monthly visit.

The project runs on the 1st Sunday morning of every month and we visit for 30-45 minutes.

Who are the visitors?

Our team always visit in pairs and are DBS checked. The visits will be prearranged, and we will be wearing Heart for Parklands badges when we come. Our team coordinators are...

Louise

Mark

Naomi

What does it involve?

1. A first visit from our team coordinators - to introduce ourselves, tell you about the project and get to know you a little.
2. A monthly visit to catch up with neighbourhood news, build friendships and enjoy company. A chance for the team to pray with you if you would like this.
3. We will pop a reminder card through your door a few days before the visit as a reminder. You can ring the church office to cancel or stop the visits at any time.
