Beta

what is Beta?

Beta is a basic discipleship course for those who have already made the decision to follow Jesus Christ. A disciple is a **willing learner**: someone who is serious about becoming more like Jesus.

Beta lasts 10 weeks and you should consider it if

- You have made the decision to follow Jesus. We run Alpha courses for those who aren't sure and have questions.
- You are **willing** to learn some basic Christian practices and *try them out*.
- You can commit for 10 weeks. We understand that unexpected things crop up, but we want to work with a group of people who will journey together to become more like Jesus.

what's Beta like?

At a Beta session you can expect a 15-20 minute talk on one of the themes described below which will provide the basic content for the rest of the session. After the talk you will break into a small group of up to 12 people, and your group leaders will help you to go deeper with the subject.

“So then, just as you received
Christ Jesus as Lord,
continue to live in him,
rooted and built up in him,
strengthened in the faith as
you were taught, and overflowing
with thankfulness.”

Colossians 2:6-7
